

# Organ Camp at IMC

**Instructor:**  
**Peggy Bartunek, Grafton, ND - Product Specialist for  
Rodgers Instruments Corporation**

The Organ Camp focus is on beginning to intermediate organists and will concentrate on beginning organ technique, hymn playing and organ registration. Beginning students must have completed level four of piano. Because of the focus of the program, it is not recommended for advanced organ students.

## Students Should Bring the Following:

- ◆ A hymn book from your denomination. Practice one or more of the hymns before organ camp.
- ◆ Flor Peeters "Little Organ Book" (Boosey & Hawkes) which can be ordered from most music stores or by calling Peggy Bartunek at 701-360-0167.
- ◆ Organ Shoes which can be purchased on-line at [www.organmastershoes.com](http://www.organmastershoes.com) or shoes with hard soles and wide heels. These should have clean bottoms so as to not scratch the pedals.
- ◆ A Notebook.

## Private Lessons

- ◆ All students will receive 4 half-hour lessons.
- ◆ If you have a metronome, it may prove helpful to bring it with you, but this is not required.
- ◆ A minimum of one hour daily practice time will be included in each student's schedule.

If you have any questions, please contact the instructor:  
**Peggy Bartunek** at [bartunek@gtf.midco.net](mailto:bartunek@gtf.midco.net)

## All Students

- ◆ A binder will be provided which will include a variety of study materials. Please make a check for \$15.00 to Peggy Bartunek for the binder.
