

IMC Handbell Workshop

Dear Handbell Participant,

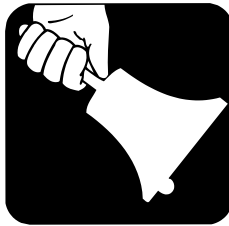

Registration is Sunday, July 8 in the Burdick Center for the Performing Arts from 12:30–3:00 p.m. CDT.

All handbell participants are strongly encouraged to attend the Orientation for Handbell Week which begins at 4:00 p.m. in the Alme International Arts Centre. As most of the handbell equipment used during Handbell Week is on loan to us from various sources, you may bring gloves with you to camp. You will need a white shirt or blouse and black or dark blue skirt or pants for the pictures taken midweek as well as for the final performance on Saturday.

Directors should bring a set of handbell tools for the “Care and Repair” session(s). All participants are encouraged to bring solo and/or ensemble music you have prepared or are in the process of learning. Directors are encouraged to bring sample scores of repertoire which you may wish to review and discuss with the handbell faculty during the week (time permitting).

A handbell demonstration concert will conclude the week’s activities on Saturday, July 14, beginning at 10:00 a.m. CDT in the Alme International Arts Centre. This is considered a part of the course. Please make your plans accordingly so you may participate in the culmination of your week’s work at Handbell Camp. Should you find that you cannot stay for this final event, please contact the Handbell Coordinator as soon as possible.

Please complete the information below and mail it directly to the Handbell Coordinator at your first convenience. (Keep in mind that mail across the border may take up to 2 weeks to arrive in Minnesota.) Feel free to contact the Handbell Coordinator at any time at the email address provided below. This information you provide is essential in planning the teaching schedule so your week at Handbell Camp is as comprehensive and complete as possible. Come prepared to learn a lot, renew old friendships, make new ones and have a lot of fun!!
