ABOUT WESTMAN JAMS

The Westman Jams project was created to fulfill the need of meeting fellow musicians in the Westman area for the sole purpose of having fun with their hobby. Their monthly jam sessions are a time of fellowship and enjoyment. Westman Jams holds an annual fundraiser and they have chosen to support first-time students from the Westman region who wish to attend IMC but require financial assistance.

The **International Music Camp Summer School of Fine Arts** offers a wide array of cultural study for children and adults alike. In weekly sessions, students of all ages gain concentrated knowledge in their particular area of interest. And, while the camp's name speaks of its foundation in music, it really includes much more. Forty-three programs including dance, creative writing, painting, and drawing are only a few of the unique subject offerings you'll discover at IMC. New this year are programs in Composition and Piping & Drumming. A staff of 150 artist-teachers, internationally noted guest conductors, and outstanding clinicians from the United States, Canada, and Europe provide instruction to students from around the world.
