

Manitoba Band Association 2010 Internship Program

The Manitoba Band Association will sponsor one or two Manitoba grade eleven students as interns at the 2010 International Music Camp. Interns may attend one of four one-week sessions.

What will I do as an intern? Interns will work with guest conductors and other artist-teaching staff, assist with large group rehearsal management, assist the IMC administrative staff, attend Director's Workshops, and participate in other activities that provide insight into the joys and challenges of being a music educator.

How do I apply? Complete the MBA Internship Application. Applicants will be selected on the strength of their written application.

What are the benefits? Experience a first hand look at the diverse roles and expectations of music education. Connect and collaborate with music faculty and staff at IMC. MBA will provide about 75% of the fee as an investment in your future. The intern is responsible for the remaining \$100, and transportation to and from the International Music Camp.

The Internship Program is an investment in music education in Manitoba. Words from a past intern... *My goal was to find out if music education was the right career choice for me. Going to IMC as an intern assured me that I want to be a music educator and provided valuable advice so I can become the best music educator I can be.* - Andrea Arksey, Forrest, MB
