PROFESSIONAL DEVELOPMENT FOR EDUCATORS

While attending the Professional Development for Educators at IMC, you will have the opportunity to work with some of North American's finest artist teachers. Your time with us will allow you to explore methods for teaching with increased artistry, learning effective strategies for instructional clarity in rehearsals, lessons, classes, or effective planning for enhancing what you do with students. Your customized PDE schedule will allow you to focus on practical applications of the topics covered and you will leave with ideas that can immediately be used to promote more effective teaching.

The basic fee for the course (excluding UND credit, which is handled separately) is \$220 USD. This covers camp tuition, room and board for the three-day session. UND credit fees are \$50 per credit. Two consecutive sessions will cost \$370. UND registration is done online.
